Free Download > Create your own personalized letter from Santa Claus with our free printable letter and envelope template and designs. You can make sure that kids can really experience the magic of Christmas with a few basic craft supplies that you can find around the house. What you need: Create your letter STEP 1: Download our Santa Letter Template (Microsoft Word). STEP 2: Open the letter with Microsoft Word and edit the existing message in the template to create your personalized message. To make the letter special, we recommend that you personalize the message as much as possible. You can ask details such as the age of the child, the name of his best friend, his school or his teacher, what gift they want for Christmas, his hometown or remarkable achievements. STEP 3: Next, simply print your letter with a color printer. Alternatively, you can print the template without messaging, and then use a pen to write the hand-notated message yourself. Create your envelope (optional) STEP 1: Download our North Pole Post envelope template. STEP 2: Print the envelope with a color printer. STEP 3: Use scissors to cut the brown lines. STEP 4: Fold over the envelope flaps to create the envelope (use a ruler to make sure the folding is straight). STEP 5: Use glue to make sure the envelope flaps are fixed in place (do not stick the top flap until you have your letter in it!). STEP 6: Fold and paste the letter you created earlier, then use a pen and write to whom the letter will be addressed.
